Florence, October 2026

XXX Re-enactment of the Coppa Toscana (21 – 23 – 24 - 25 April 2027) History, Art and Culture

In 2027, the Re-enactment of the Coppa Toscana will reach the significant milestone of its 30th edition. Since 1996, CAMET (Club Auto Moto d'Epoca Toscano) of Florence has organized this event, taking participants - who arrive from across Italy and abroad - through ever-changing landscapes, immersed in nature, history, and art... all while showcasing the region's exquisite food and wine.

The four-day 30th Coppa Toscana will feature a parade through the historic center of **Pisa**, with an exhibition in the **Piazza dei Miracoli**, alongside guided tours of the city's monumental landmarks.

Within the province of Pisa, participants will visit the **Piaggio Museum** in **Pontedera** - celebrating the 80th anniversary of the Vespa - as well as the nearby, majestic **Catedral of Calci** (Certosa di Calci).

The event will be based at the 5-star **Toscana Charme Resort** in **Tirrenia - Calambrone**. From there, on Friday the 23rd, the classic cars will travel to **Viareggio** for a parade along the seafront (*lungomare della Versilia*), accompanied by the red-carpet presentation of the vehicles and their crews. In **Forte dei Marmi**, the cars will be exhibited in the town, allowing participants to explore the center and enjoy lunch.

Timed skill trials - valid for the 2027 ASI National Trophy, the ASI "**Circuito Tricolore**" and "**Trofeo G. Munaron**" - will take place at the **La Canniccia Motor Club track**, located at **Forte dei Marmi - Pietrasanta**.

On Sunday morning, the group will return to Viareggio for a visit to the "**Cittadella del Carnevale**", the site where the famous Carnival floats are created.

The event will conclude in **Torre del Lago Puccini** with a visit to the **Villa Museo Puccini**, commemorating the great composer and his passion for automobiles - a field in which he was an enthusiastic, and at times reckless, pioneer.

The reenactment of the Coppa Toscana pays tribute to one of the most celebrated post-war road races—the Coppa della Toscana—which traversed the Tuscany between 1949 and 1954.

A long-standing presence on the calendar of the ASI (Automotoclub Storico Italiano), the reenactment has received numerous **Special Awards** and "**Manovelle d'Oro**", including in each of the last three editions. The 2027 event is part of the prestigious and exclusive "**Circuito Tricolore**" events, organized by the ASI under the patronage of the Ministry of Tourism, the Ministry of Culture, the Ministry of Infrastructure and Sustainable Mobility, and the National Association of Italian Municipalities (ANCI).

The event will also feature the 21st edition of the **Trofeo Alessandro Ercoli**, which honours one of the pioneers of the Italian historic motoring movement. Ercoli was a great enthusiast of the cars produced by the Florentine manufacturer Pasquino Ermini – racing cars that competed against Ferrari and Maserati in the post-war era. In keeping with tradition, the firm founded by Alessandro Ercoli - now managed by his son Eugenio, the foremost collector of Ermini cars - will present the winner with a unique **jewel** crafted by the company.
